December 21, 2008 - Charter operator Paramount Business Jets is now offering an excursion to the Seven Wonders of the World via private jet. On the adventure, the first 16 passengers or group to book the trip are whisked away on a month-long journey to some of the premier tourist cities on Earth.

RELATED INFORMATION:

The escapade touches all six of the world's civilized continents, aboard a fully-staffed 737 Boeing Business Jet loaded with amenities, including a full shower, complete telecommunications capabilities, movies, live music, gourmet menus, in-flight massage services and gold-plated facial treatments by Paramount partner, Rejuvenair, and even a yoga instructor.

"This is the ultimate fantasy trip," said Richard Zaher, chief executive of Paramount Business Jets.

In addition, TerraPass has been selected as the trip's carbon-offset provider to ensure all passengers a "green" journey.

The endeavor costs \$356,250 per passenger for a grand total of approximately \$5.7 million.
