by [James Rothaar](#)

**Luxury Business Jet Charters:** Paramount Business Jets is offering a special excursion that takes a group of 16 to the Seven Wonders of the World in a month.

Sixteen passengers, or a group, will be on a luxury-latent month-long journey that touches down on all of the world's continents. Travelers will fly aboard a fully staffed 737 Boeing Business Jet loaded with amenities that include a full shower, live music, gourmet menus, in-flight massage services, a yoga instructor, and facial treatments.

The actual cost per passenger in a group of 16 travelers is \$356,250 or \$5.7 million for the entire group. The trips are open to anyone who is wishing to book it. The Seven Wonders vacations also can be taken in legs or sections for less than a month.

Paramount Business Jets books flights year round and offers guaranteed availability with a 10-hour notice. Aircraft available include light, midsize, heavy jet or airliner.

For more information on all aviation services, visit <http://www.paramountbusinessjets.com>.
